Education

Bangladesh University of Engineering and Technology

March 2024 – Present

Bachelor of Electrical and Electronic Engineering (Level 2 | Term 1)

Dhaka, Bangladesh

Rangpur Government College

January 2021 – December 2023

Higher Secondary School Certificate (HSC)

Rangpur, Bangladesh

Rangpur Zilla School

January 2016 – December 2020

Secondary School Certificate (SSC)

Rangpur, Bangladesh

Government Muslim High School

January 2015 – December 2016

Primary School Certificate (PSC)

Chattogram, Bangladesh

Relevant Coursework

- Machine Learning
- Signals and Systems
- Numerical Analysis
- Computer Programming
- Electrical Circuits
- Electronic Circuits
- Energy Conversion
- Multi-variable Calculus

Experience

IEEE BUET Student Branch

April 2025 – Present

Batch Representative

Dhaka, Bangladesh

- Assisted in arranging promotional campaigns for technical events (e.g., Arduino Workshop, PCB Design), resulting in a 20% increase in batch participation.
- Gathered feedback from students regarding desired technical skills to assist the Executive Board in curating relevant future workshop topics.

Projects

GameZone - Gamify with Python  [Source Code](#) | *Python, Pytest, Minimax*

Nov 2025

- Developed a modular CLI-based gaming platform featuring three distinct games, utilizing **Pytest** for comprehensive unit testing.
- Engineered an unbeatable AI for Tic-Tac-Toe using the **Minimax algorithm**, optimizing decision trees for max difficulty.
- Implemented a custom authentication system with **Regex** validation and a persistent **CSV database** to track user statistics.

Technical Skills

Languages: C, C++, Python, MATLAB

Simulation & Design: PSpice, AutoCAD, TinkerCAD, Altium Designer

Hardware / Embedded: Arduino, Oscilloscopes, Function Generators

General Tools: VS Code, LaTeX, Git/GitHub, Microsoft Office

Extracurricular

Waste Hero Ambassador

August 2022

Volunteer

Stockholm Environment Institute

- Successfully completed the Design for Policy bootcamp series.

Certifications

• **CS50's Introduction to Programming with Python** – Harvard University

[\[Verify \]](#)

• **Supervised Machine Learning** – DeepLearning.AI / Stanford University

[\[Verify \]](#)
